

West Valley College will grant college credit toward an AA/AS degree to students who earn scores of 3, 4, or 5 on advanced placement examinations given by the College Entrance Examination Board (CEEB). To receive credit, students must send an official copy of the AP results to West Valley for evaluation. The units earned from AP credit cannot be used to satisfy the 12-unit residency requirement.

The list below shows how Advanced Placement credit is awarded at West Valley College. Also included are how AP subject exams are used for both the CSU and IGETC. UC and CSU limitations may apply. Be aware that transfer or credit (UC and CSU) based on AP Exams may differ from the units for general education. Also a maximum of one course per AP exam can be cleared when used on the IGETC pattern.
